

UNIQUE COUNT-56

UNIQUE REEDS

UNIQUE REEDS

Our reeds are used for good quality and trouble free weaving because of the straightness, smooth wire (High quality raw material) & fine workmanship.

We manufacture reeds in Imported SS & Indian SS wire.

We are manufacturing reeds of various types as mentioned below:

- Reeds for projectile weaving machines.
- Reeds for rapier weaving machines.
- Reeds for waterjet weaving machines.
- Reeds for tape weaving machines.
- Reeds for label weaving machines.
- Double dented reeds for terry towel looms.
- Reeds for warping machine and “V” reeds for sectional warping.
- Zigzag reeds for direct warping and sizing machine.
- Sizing combs and warping combs.
- Striking combs.
- Reeds suitable for knitting machine to make wire mesh.
- Flat reeds for circular knitting.

We also manufacture customized reeds as per the customer's requirement (i.e. SS wire, brass wire, lengths above 4mtrs and fractional count reeds)
